Citrus Power is a unique formula designed for use in touchless, vent hood cleaning. The high proportion of surfactants and wetting agents mean an effective and highly concentrated solution. Non-corrosive to equipment, fast acting, and easy to dissolve.

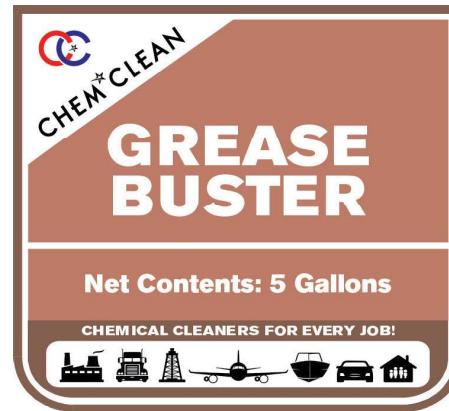

Available in 1, 5, 15, 30, 55, and 275 Gallon options

Product # 5-1-2

SNAP is a highly concentrated, heavy duty all-purpose cleaner. Adjustable dilution ratios remove heavy grease and oil deposits with ease. When used in food processing plants, it should be rinsed with potable water. SNAP is not harmful to metal, paint or floor materials. It can be used on all surfaces and equipment.

Grease Buster is designed to be a low-foaming, high impact industrial kitchen cleaner. When sprayed on the kitchen before washing it helps to soften and remove grease, bacteria, films, and dirt. Kitchen equipment gets cleaner, faster, with less effort in the high pressure wash.

Product # 5-1-5

Wall Brite is used to knock off that hard to get, hard to scrub soap residue collected on bay walls. Easy to use and strongly effective, Wall Brite is the go-to for easy wall cleaning!
